

SCORE 4™

Seek the Four • Settle the Score!

2 TO 6 PLAYERS
15-30 MINUTES
AGES 8+

Object of the Game:

The first player to collect all four suited piles (spades, hearts, diamonds and clubs) is the winner!

To Start:

Shuffle the SCORE 4™ deck and deal three cards to each player.

The player to the dealers left goes first. On your turn, **draw one card**, then play a suited card from your hand **to the center**.

If a pile for that suit already exists, add your card to it; otherwise, start a new one.

All players play to these same shared community piles. You may only play **one card** on your turn. Play continues in a clockwise manner.

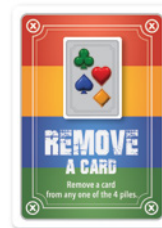

When a player places the fourth card on a suited pile, they claim that pile and place it in front of them. *(See special note below).*

The next person to play that suit will start a new pile.

- If a player collects a second pile of the same suit, they must give it to any opponent who doesn't already have one.
- If every player already has a pile of that suit, the pile is discarded instead.

SPECIAL NOTE: When playing with 5 or 6 players, the player that plays the 3rd card on a pile will claim that pile.

When a player plays a “**Remove a Card**,” they discard it along with any one card from the four community piles.

When a player plays a “**Remove a Pile**” they discard it along with one pile previously claimed by any opponent.

If there are no cards or piles to remove, the remove card is simply discarded. When the deck is empty, shuffle the discard pile to create a new draw deck.

Contents:

Hearts, Spades, Diamonds & Clubs (24 each)
Remove a Card (8)
Remove a Pile (6)

Helpful hint:

Keep a close eye on the opponent to your left to keep them from getting the last pile they need to win. You have the most control over that player.
